- After the match is completed, each captain records the team wins in the discord #lolresults page
- Tournament week will be a best of 1 match
 - The top 2 teams with the best regular season record will face off for 1st place
 - The bottom 2 teams will face off for 3rd place

Teams

- Team Roster:
 - 5 starting players including the team captain
 - 2 backup players identified if starting player(s) cannot make a match
 - Up to 2 players from the starting roster are allowed to miss a match unless otherwise specified
- Team Captain:
 - Responsible for coordinating matches / lobbies according to Connect E-Sports lobby schedule
 - Team captain hosts lobby with teammates and will join / bring teammates to match as a group
 - Responsible for taking a screenshot of each completed match scoreboard and posting it into Connect E-Sports designated Discord group #lolresults
 - If a match needs to be replayed, captains will work together to determine next steps in accordance to Connect E-Sports stated rules

SPECIAL RULES

1) No changing team names from week-to-week. Team names will last the season duration. Team names will be displayed publicly and must be appropriate.

2) Team Captains are responsible for finding bench players if needed and recording wins for the night with Connect E-Sports.

3) Each player will receive all of their hours on their account on the first game night to cover entire season and tournament play (4 hours). Before each game, you will be checked in at the front desk to ensure you have at least 2 hours on your account, if you do not, you will need to purchase more hours on your account to play that evening.

a. Connect E-Sports will not recreate matches if a player gets kicked off due to lack of hours on their account.
